# Computer Science

**Welcome to Computer Science at Highams Park School!**

This year you will have 1 Computer Science lesson a week and you will study the practical and theory side of Computer Science.

We have 7 Computer Labs in Highams park school which are our specialist teaching spaces for Computer Science – these labs are equipped with a computer for each student. Allowing them to write code to create games or conduct research.

Computer Science plays a very big role in our lives from working, playing, developing. Having the skill and knowledge in this subject will make you be a part of the future. Allow you to have your say in what will be the next big change!

Year 7 science topics:

- Introduction to Computer Science
- Digital Devices
- Databases
- Programming in Scratch
- Online Safety
- BBC Microbits/ Robotics
