

# History

Welcome to History at Highams Park!

As soon as you arrive at Highams Park *you* become the Historian. You will question and make judgements about why the world is like it is today. You will investigate different historians' ideas and you will decide whether you agree with them or not. We will look at History from Britain and around the world, involving all cultures.

In Year 7 you will have 2 lessons of History a week. Topics include....

What it meant to be Roman, the Norman Conquest, the Dark Ages, Islamic science, the History of Mali, the Crusades, the Peasant Revolt, Henry VIII and the Reformation, Elizabeth 1<sup>st</sup> and the Mughal Empire. We look forward to seeing you next year. Why not get started now and listen to the 'Home History' podcast, or watch some Horrible History programmes on the BBC? We can't wait to meet you.
