

SEND Department

Welcome to the SEND Department at Highams Park!

This year you will be supported by a great team of Learning Support Assistants (LSAs) and Teachers. If ever you are finding things difficult or overwhelming, pop in and have a chat with one of our team and we will be more than happy to help in whatever way we can.

We have a fantastic Learning Centre at Highams Park School, where students will come for a range of different interventions like Reading Recovery, Maths Intervention, EAL teaching & support, Creative Therapy and Speech and Language, to name just a few.

We also have a large screen and projector which is used every lunch time for Film Club, an opportunity for students to relax, unwind and get lost in the world of Film.

Many of you will be lucky enough to be assigned Peer Mentors, who you will meet and spend some time with you in the Learning Centre during morning registration.

We are a fun and vibrant department and we are always here to help.
