The school will be running a visit to Stubbers Adventure Centre in Upminster for Year 7 students. Stubbers Adventure Centre has been running for over 20 years serving schools and communities of Essex and London. There are over thirty adventurous activities for your child to take part in including Kayaking, Quad Bikes, Jet Ski rides, Abseiling, Raft building and Banana Rides. All of these activities take place on over 130-acres of Land. Please take a look at <https://highamspark.fireflycloud.net/activities-week/stubbers-year-7-residential-2022> for more information.

Following the high demand from previous years, we have successfully secured accommodation in both Maple Lodge and Orchard Camp.

The cost to stay at Orchard camp is **£475.00**, payment paid in instalments. This price includes –

- Coach transfer to and from Stubbers Adventure centre

Students will be staying in glamping style safari tents with bunk beds. There will also be a brick-built canteen and on-site shower facilities.

Maple Lodge

All students will be participating in the same range of activities, regardless of the accommodation they will be staying in. Students will be doing all of their daytime activities with those who they are sharing accommodation with i.e. Maple Lodge students will do their activities together, and Orchard Camp student will do theirs together. For their evening activities and BBQ all students will be together to participate.

Initial deposits will be an expression of interest, but will not confirm a place on the residential visit.
