Bienvenue!

i Bienvenidos!

Welcome to Languages at Highams Park school! You will have 2 lessons a week of either French or Spanish. Some of you will have learnt one of these two languages at primary school already but don't worry if you haven't, we'll go over all the basics.

This year, in French or Spanish you will be learning how to introduce yourself and talk about your family and pets as well as your likes and dislikes and how to talk about your life in school.

We will play lots of games and practise speaking, listening, reading, and writing skills. You will be amazed at how much you will know by the end of the year!
