

**Welcome to the
RAF Museum
London**

The RAF Museum is very big

This is a map of the Museum

This is the Museum entrance

A member of staff may look in your bag

There are four different buildings to explore

Hangar 1

Hangar 2

Hangars
3,4,5

Hangar 6

You might put your coat and bag in one of these

There are lots of planes at the Museum

There are also some helicopters at the Museum

There are other kinds of transport at the Museum too

To keep everyone safe, we stay behind the barriers

There are different sounds you can hear at the Museum

Some parts of the Museum are bright and some are a bit darker

You can eat your lunch here

On a nice day you can sit outside

These signs show where the toilets are

If you need to sit quietly, we have Quiet Rooms available

You might see these people when you visit

Mike

Kirsty

Vernon

Martin

Zengha

Toni

**See you soon at the
RAF Museum London**
