

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

1 a Colour the diagram using the correct colours.

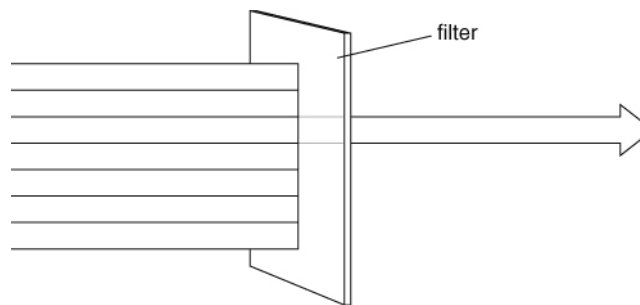

b Name the parts:

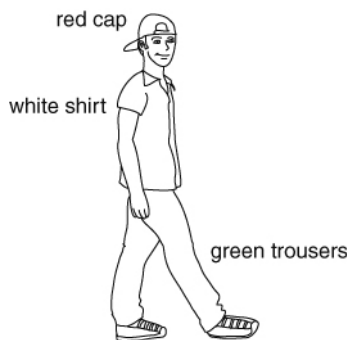

i \_\_\_\_\_

ii \_\_\_\_\_ iii \_\_\_\_\_

2 The filter is yellow. Colour the filter and the light.

3 a Joe is in white light. Colour in his clothes.

b Joe goes to a club. The light is red. Colour his clothes the colours they appear.

**I can...**

- recall the colours of the spectrum
- recall how a filter makes coloured light
- work out what colour things will appear in coloured light.
